

EC Declaration of Incorporation

As defined by the EC Machinery Directive 2006/42/EC, Appendix II 1 B

The requirements as per Directive 2006/42/EC, Appendix I, the basic principles thereof and section 1 thereof are applicable for the following partly completed machine. The partly completed machine fulfils sections 1.1.2, 1.1.3, 1.3.1, 1.3.2, 1.3.4, 1.3.7, 1.3.8, 1.3.8.1, 1.3.8.2, 1.5.1, 1.5.4, 1.5.8, 1.7.2 to 1.7.4 of these requirements.

In addition, the partly completed machine conforms to the basic protection requirements of the EC Directive "Electromagnetic Compatibility" 2014/30/EU.

For conformity assessment, the manufacturer has prepared special technical documents as per the Directive 2006/42/EC, Appendix VII Section 1. B. Upon reasoned request, these will be transmitted in file form to the national authorities.

The following partly completed machine is exclusively for incorporation in another machine. Commissioning is prohibited until declaration that the machine/system into which the partly completed machine is to be incorporated is in complete conformity with the provisions of the aforementioned EC Directives.

Machine designation	Small conveyors of type "construction kit"
Of types	BK-20-20, BK-20-40, BK-20-60, BK-20-80, BK-20-100, BK-20-120, BK-20-140, BK-20-160, BK-20-180, BK-20-200, BK-30-60, BK-20-10-M, BK-20-20-M
Serial No.	From 11200 on
Identification	Nameplate / Laser engraving and numeral punch
Date of manufacture	From 2016 on
Manufacturer and address	Vetter Kleinförderbänder GmbH Bernstadter Straße 10 89198 Westerstetten Germany
Person authorized for documentation	Ms Melanie Ochs <i>Dirk Steinmann</i> Mr Dirk Steinmann, Managing Director
30.04.2016
